```
library(dplyr)

rladies_global %>%
  filter(city == 'Berlin')
```

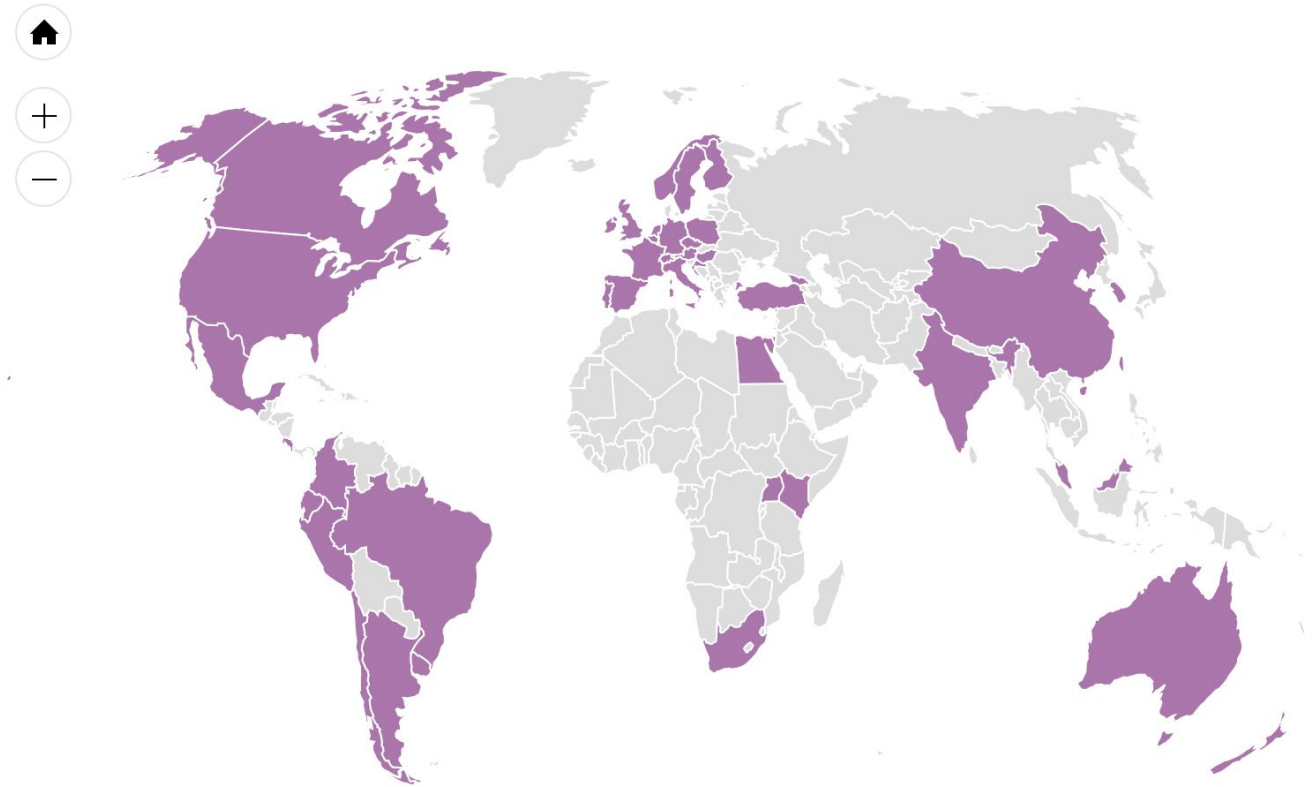
Welcome!

We're Chrissy, Hanna, Noa & Ulrike

In March 2017 we got together to form the Berlin chapter of R-Ladies. You can follow our activity (and help us spread the word) on @RLadiesBerlin and sign up for upcoming events on rladies-berlin.

1.
What is R-Ladies?

Founded by statistician Gabriele de Queiroz in San Francisco, Oct 2012, R-Ladies aims to increase of the participation of women in the R community by encouraging women to join the coding community, develop R packages and to increase the attendance and visibility of women as speakers at R conferences and meetings



JS map by amCharts

2.
Code Of Conduct

- Public events are *always* for free
- The conceptual domain / scope is R-specific
- Be aware and acknowledge other's contribution
- Use neutral language
- Constructive, supportive and gender-inclusive environment to share, learn and network
- Organizational & mentoring roles are exclusively reserved for women

3.
NEW - Open Mic

Do you have news that you wanna share? You have a R-related problem and need some input? You're looking for an expert in x or y? Did you just discover a great package and wanna spread the news?

Let us know that you would like to get on stage prior the next meet-up. No slides required, only you and a mic.

Drop a line: **berlin@rladies.org**

4.
Join us online at the slack Rstats-germany

Join our online community for additional networking, support and get in touch. Send an email to berlin@rladies.org; we'll send you an invitation.

In preparation - Online casting of meetup sessions and tutorials - German-wide network for R users and learners!

5.
Save the date - our next session

Will be on Tuesday, May 22nd or May 29th. Stay tuned!

Get hands-on session:
R packages

The Beauty of R programming - Revisiting Functional Programming & other topics

Hello!

This is Verena

Verena Pflieger is data scientist at the statistical consultancy INWT Statistics. She is concerned mostly with the conceptualization of trainings and actual teaching R and giving tutorials. She is also the data protection officer at INWT.
