Welcome!

We're Chrissy, Hanna & Noa

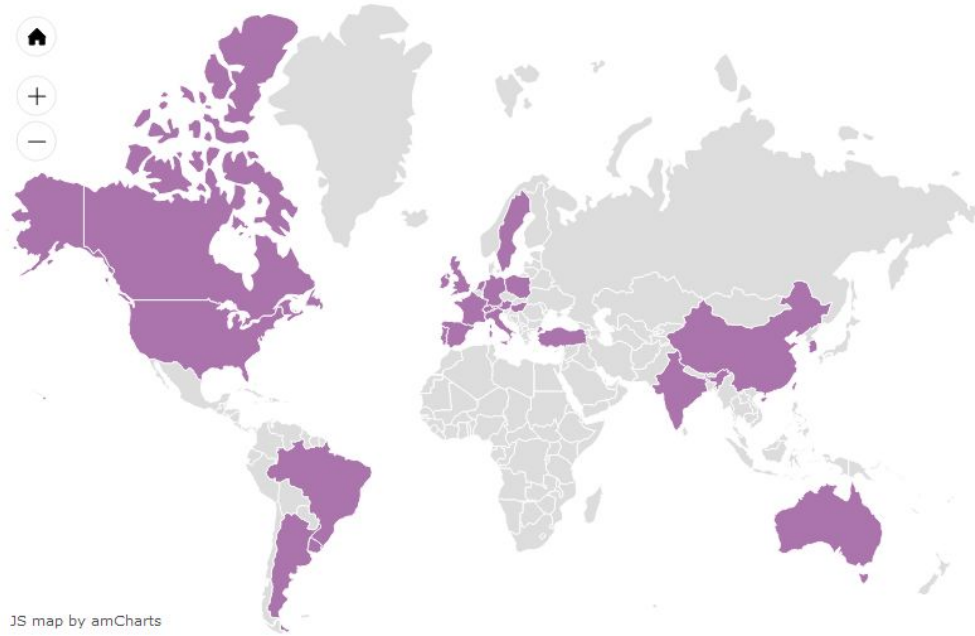

We recently got together to form the Berlin chapter of R-Ladies. You can follow our activity (and help us spread the word) on   [@RLadiesBerlin](https://www.facebook.com/RLadiesBerlin) and sign up for upcoming events on  [rladies-berlin](https://www.meetup.com/rladies-berlin).

1.

What is R-Ladies?

Founded by statistician Gabriele de Queiroz in San Francisco, Oct 2012, R-Ladies aims to increase of the participation of women in the R community by encouraging women to join the coding community, develop R packages and to increase the attendance and visibility of women as speakers at R conferences and meetings

Map of R-Ladies chapters around the globe

2. Code Of Conduct

- Public events are *always* for free
- The conceptual domain / scope is R-specific
- Be aware and acknowledge *other*'s contribution
- Use neutral language
- Constructive, supportive and *gender-inclusive* environment to share, learn and network
- Organizational & mentoring roles are exclusively reserved for women

3.

R-Ladies Berlin slack

Sign up for the slack of R-Ladies Berlin to get updates, tutorial materials and stay in contact with the community

4.

Data Impact Mapping Workshop

by Data Science for Social Good Berlin
September the 4th.

<https://www.eventbrite.de/e/data-impact-mapping-workshop-tickets-36711435893>

5.

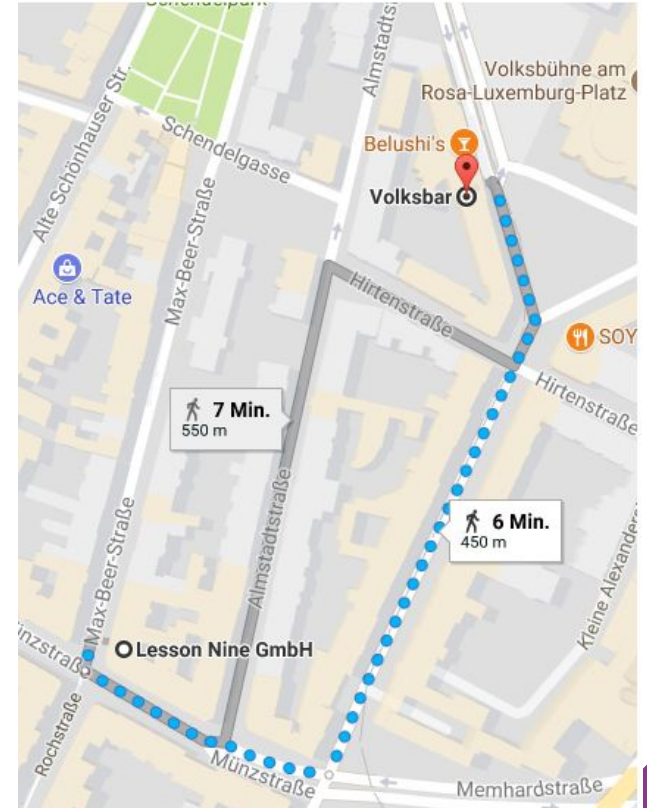

Our next meetup

... *ON SEPTEMBER THE 26TH*

Keep updated at  rladies_berlin and   @RLadiesBerlin!

6. Having fun in the Volksbar

After Ulrikes talk we would like to share a drink at the Volksbar.

#3 open data and ok lab

Hello!

This is Ulrike

Ulrike is one of the volunteer lab leads of Berlin's OK Lab, a weekly meeting for the open data and civic tech community. She holds a degree in Political Science and is interested in election data, digital refugee projects and community building.
