```r
library(dplyr)

rladies_global %>%
  filter(city == 'Berlin')
```

Welcome!

We're Chrissy, Hanna & Noa

We recently got together to form the Berlin chapter of R-Ladies. You can follow our activity (and help us spread the word) on 🐦 ⬛ @RLadiesBerlin and sign up for upcoming events on ⓜ rladies-berlin.

1.
What is R-Ladies?

Founded by statistician Gabriele de Queiroz in San Francisco, Oct 2012, R-Ladies aims to increase of the participation of women in the R community by encouraging women to join the coding community, develop R packages and to increase the attendance and visibility of women as speakers at R conferences and meetings

2.
Code Of Conduct

- ○ Public events are *always* for free
- ○ The conceptual domain / scope is R-specific
- ○ Be aware and acknowledge other's contribution
- ○ Use neutral language
- ○ Constructive, supportive and gender-inclusive environment to share, learn and network
- ○ Organizational & mentoring roles are exclusively reserved for women

3.
UseR! Diversity Scholarships

UserR! 2017 will be in Brussels July 5th-7th. The diversity scholarships application deadline is April 1st, 2017.

4.
Our next meetup

Will be on May 9th. Updates will be posted to our Meetup group.

#1 Data visualisation with ggplot2

Hello!

This is Mia

She is an expert of Azure Machine Learning Studio and its integration with R. As a data consultant, she is devoted to building analytics system and modeling.

You can find her at
https://www.linkedin.com/in/huaiwenchang

Hello!

This is Chrissy

She started R-Ladies Berlin and is a Post-Doc in Biosystems engineering at BIMSB / MDC-Berlin.

She will show you how to build beautiful graphs with ggplot2.

You can find her at christin@rladies.org
