#3 Journocode meets R and R markdown

Hello!

This is Marie-Louise

She studies data journalism at the TU Dortmund and currently works as a intern at the Interactive team of Berliner Morgenpost.
Marie-Louise and some fellows founded journocode - a meetup gathering data journalism students to develop tools and train data analysis skills.

Hello!

This is Chrissy

She started R-Ladies Berlin and is a Post-Doc in Biosystems engineering at BIMSB / MDC-Berlin.
She will show you how to build beautiful graphs with ggplot2.
You can find her at christin@rladies.org
