```r
library(dplyr)

rladies_global %>%
  filter(city == 'Berlin')
```

Welcome!

We're Chrissy, Hanna & Noa
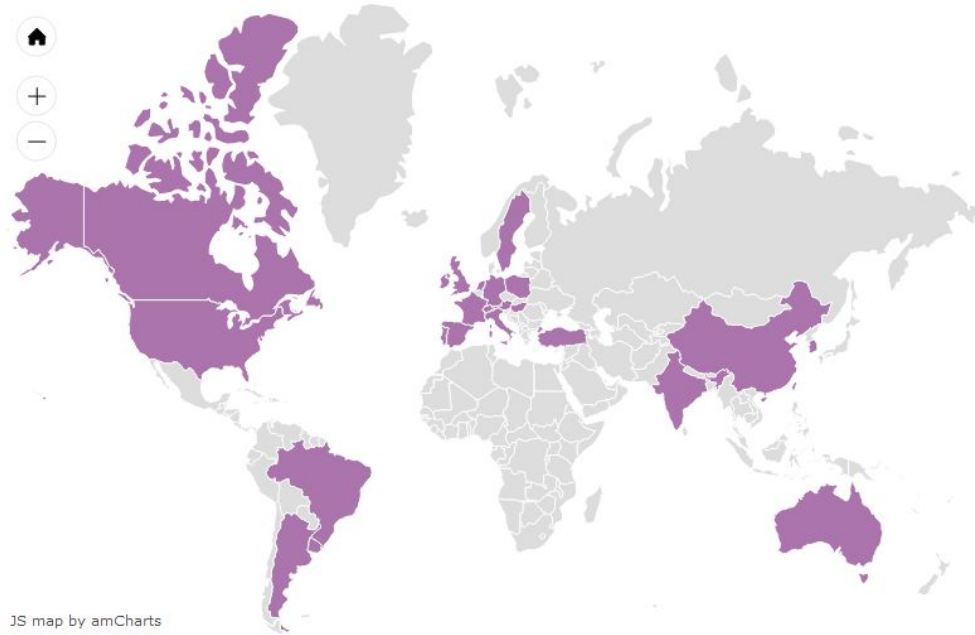

We recently got together to form the Berlin chapter of R-Ladies. You can follow our activity (and help us spread the word) on 🐦 📘 @RLadiesBerlin and sign up for upcoming events on Ⓜ rladies-berlin.

1.
What is R-Ladies?

Founded by statistician Gabriele de Queiroz in San Francisco, Oct 2012, R-Ladies aims to increase of the participation of women in the R community by encouraging women to join the coding community, develop R packages and to increase the attendance and visibility of women as speakers at R conferences and meetings

Map of R-Ladies chapters around the globe

- San Francisco, California – US

- Montevideo – Uruguay

2.
Code Of Conduct

○ Public events are *always* for free

○ The conceptual domain / scope is R-specific

○ Be aware and acknowledge other's contribution

○ Use neutral language

○ Constructive, supportive and gender-inclusive environment to share, learn and network

○ Organizational & mentoring roles are exclusively reserved for women

3.
R-Ladies Berlin slack

Sign up for the slack of R-Ladies Berlin to get updates, tutorial materials and stay in contact with the community

4.
Our next meetup

… probably in January … to much end of the Year-stuff in December

Keep updated at rladies_berlin and   @RLadiesBerlin!

#5 Shiny

Welcome Jakob!

He just joined Babbel as a data scientist. Before, he analysed gaming data at King and was an economic consultant.

Jakob is an R enthusiast and has created and maintained several Shiny dashboards.
